**We Want To Be
Your Propane
Supplier!**

Pre-Purchase Program

You can purchase your propane for the upcoming Winter months from May until September. The cost will be the current posted price plus \$.08 (8 Cents) storage fee per gallon.

Program is available to all residential, commercial, & agricultural consumers with a \$0 balance due at contract signing and at least a 250 gallon tank. Payment in full for contract gas is due no later than September 30, 2012 to avoid termination of contract.

for additional company information, rebate updates, & on-line bill pay!

We NEED Your Feedback!!!!

Gasco Energy Supply, LLC is always looking for ways to improve customer service and relations. Therefore, we **NEED** to know what **YOU**, the customer, wants from us. Please call **573-392-4275** to give us **YOUR** thoughts on these:

- Check by phone payments
- E-mail Statements
- On-line account access
- We want your suggestions as well!

Even Pay Budget Plan

Build a credit during the low usage Summer months to spread your heating costs over a 12 month period.

Payments start in May and must be made monthly to receive automatic discounts and regular route delivery. In addition, your tank must be at least 50% full.

Credit can be used towards future deliveries or "Pre-Purchase" contracts.
